

TEACHERS' PANEL

18 May 2022

Mr S Cameron
Employers' Side Secretary

Dear Simon

I write to confirm that the SNCT Teachers' Panel has rejected the 2% pay offer from COSLA that was tabled at the meeting of the Extended Joint Chairs earlier today.

As highlighted at today's meeting, it is the view of the Teachers' Panel that a fair and reasonable pay offer, one that reflects the level of inflation and its ongoing impact of the cost of living, should be made without delay.

As advised, the Teachers' Panel is willing to continue negotiation on our current pay claim and urges COSLA to make an improved offer as soon as possible.

Yours sincerely
