Mr S Cameron  
Employers' Side Secretary

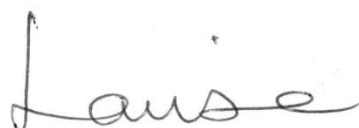

Dear Simon

As intimated at SNCT today, the Teachers' Side of the SNCT has lodged a failure to agree the 2022/23 Pay Claim.

Furthermore, the Teachers' Side has declared a dispute as a direct result of the Employers' current pay offer of 5% failing to protect the value of pay for teachers and associated professionals and follows an extended period of negotiation.

The Teachers' Side is willing to continue negotiations through Extended Joint Chairs with the hope of a negotiated settlement being reached.

Yours sincerely

Louise Wilson  
Teachers' Side Secretary
